

Challenging Behaviour in Classic Autism

9.30am - 4.00pm Thursday 30th April, 2020

VENUE: Club Burwood RSL, 96 Shaftesbury Road, Burwood NSW 2134

TOPICS COVERED

Strategies to develop communication skills for those who have limited speech

The learning profile associated with classic autism and strategies to encourage the acquisition of academic and daily living skills

The effects of social experiences and facilitating social engagement

The sensory profile of autism and how to accommodate sensory sensitivity

The signs of increasing anxiety, anger or despair and how to manage and moderate emotional reactions

The presentation is for

Parents, Family Members, Health and Educational Professionals who see children and/or adolescents with autism spectrum disorder (ASD) Level 2 or 3 as part of their practice, including psychologists, teachers, teachers assistants, occupational therapists, speech pathologists, GPs, paediatric psychiatrists and paediatricians

Prof. Tony Attwood PhD is an internationally recognised clinical psychologist, educator, and author. Recently featured on ABC's Australian Story, Tony is one of the world's foremost authorities on autism. His book

Asperger's Syndrome: A Guide for Parents and Professionals is an international best seller and seminal in the field.

Dr Michelle Garnett PhD is a clinical psychologist who has specialised in autism for 27 years. In 2005 she founded Minds & Hearts, a now internationally recognised Clinic. Her research has informed understanding of early detection, the female

profile and the importance of good mental health. She has co-authored five highly regarded books on autism. Her most recent book with Barb Cook is a seminal work on the female presentation, *Spectrum Women: Walking to the Beat of Autism*.
